Jewish High Holidays

Rosh Hashanah literally "Head of the Year" in Hebrew, is the beginning of the Jewish new year. It is the first of the High Holidays or "Days of Awe", ending 10 days later with Yom Kippur.

Rosh Hashanah begins with the sounding of the shofar, an instrument made of a ram's horn, proclaiming God as King of the Universe. In fact, Rosh Hashanah is described in the Torah as Yom Teru'ah, a day of sounding (the Shofar).

Yom Kippur - The Day of Atonement. This is considered the holiest day in the Jewish calendar and ends the Ten Days of Repentance. It is spent in prayer, meditation and fasting in order to start the new year with a fresh beginning.

Yom Kippur

A Message from Dorenda Tarpon Point Nursing and Rehabilitation

Labor Day is celebrated annually on the first Monday of September in the U.S and Canada.

When we think of Labor Day, we generally think of grilling hot dogs and hamburgers, ribs and corn on the cob and good times with family and friends however, Labor Day has a more auspicious beginning.

During the end of the 19th century, laborers typically worked 12 hour days, 7 days a week for meager wages. The conditions they worked in were certainly not like the conditions of today.

Due to the efforts of the laborers from those times, we now celebrate Labor Day, in honor of those laborers who sacrificed and fought for better working hours, wages and working conditions which we now all benefit from.

As we think back on the origin of Labor Day and its purpose we must also consider the labor force in nursing homes.

The operation and service delivery of nursing facilities depend on the labor of about 1.2 million health care providers and support staff. However, nursing homes employees have and continue experienced challenges in their working environment.

The emergence of the COVID-19 pandemic has stretched nursing home staff like never before, wreaking havoc on the staff skill sets and resilience. With staff turnover and shortages already tormenting nursing homes coast to coast, the addition of COVID-19 only increased these issues yet, the resolve of the nursing home employee never shined so brightly as it did then and does now.

This pandemic has made us, the Empire Care Centers Employees muster our extraordinary strength - the human spirit. Through all of the challenges we have and continue to face, we (YOU) remain steadfast in our commitments to our residents, families, and the communities we serve as the COVID-19 pandemic continues to impact our world.

As we celebrate this years' Labor Day, let us remember that the origin of labor day shows that nothing is impossible if we stand together. We remain together through the seasons as we labor to heal with hearts.

To you, the dedicated employees of every Empire Care Centers facility, we say, THANK YOU AND GOD BLESS YOU AND YOUR FAMILIES FOR THE SACRIFICES YOU HAVE AND CONTINUE TO MAKE EACH AND EVERY DAY.

YOU ARE ALL VALUED, APPRECIATED AND RESPECTED WAY MORE THAN YOU WILL EVER KNOW.

Thank you to our **Housekeeping and Laundry Staff** for always going above and beyond expectations. You are truly appreciated
~ Damikka Fain

If look up the definition of "Team Player" you'll find a picture of **Shanna Calloway**. She started at our facility as a C.N.A. on the floor over 6 years ago. We've watched her grow and accept more responsibility as our staff scheduler, arranging appointments and transportation for our residents, even transporting them as well. She even took on the adventure of taking some of our resident shopping. **Shanna** has not forgotten her roots, she still accepts floor assignments when needed. As the director of activities I appreciate **Shanna** for her help in conducting some of our groups when I had to be out of the facility. In her free time **Shanna** likes to relax, unwind and listen to music. We are very fortunate to have **Shanna** at Fayetteville Center.
~ Margaret Helman, Activities Director

Thank you **Dorrett!** Your compassion shows throughout the whole facility. You always have a smile beneath the mask! I appreciate you.

Patriot Day

On September 11, patriot day gives all of us time to reflect on the devastating terror attacks that took nearly 3,000 lives. We commemorate those who we lost and give thanks to the brave first responders who put their lives on the line. Take a moment today to consider what we stand for as a nation and how we can work together to make the world a better place for all.

The bravery of American citizens and uniformed personnel in the face of one of the world's most terrible terrorist attacks is remembered on National Day of Service and Remembrance on September 11.

It was a terrifying day when four planes were hijacked on September 11, 2001 (also known as nine-eleven). The hijackers flew three planes into iconic buildings: the Pentagon in Washington DC and the Twin Towers of the World Trade Center in New York. The fourth plane crashed in a field in Pennsylvania after the plane passengers fought the hijackers. Nobody is certain where it was supposed to crash, but some people believe it was headed for the White House, the U.S. Capital, the Camp David presidential retreat in Maryland, or one of several nuclear power plants along the eastern seaboard.

The impact of this attack was devastating. Around 3,000 lives were lost between plane passengers, those in the buildings that were struck, and front-line workers trying to save people. It was the biggest act of terrorism ever in the United States. Since then, airplane security has become stricter in many countries as they attempt to avoid a future terrace attack like nine-eleven.

The majority of lives were people that worked in the Twin Towers, especially the floors above the collision point as people were trapped and stranded at the top of the burning skyscraper. 411 men and women working in emergency services lost their lives trying to fight fires and rescue people from the buildings. It was a heartbreaking attack, which is why Patriot Day was proclaimed by President George W. Bush and is recognized every year on September 11.

On Patriot Day, U.S. flags are lowered halfway, and there is a country-wide moment of silence at 8:46 am (Eastern Daylight Time), which is when the first plane crashed into one of the Twin Towers. Although the tax were in the U.S., Patriot Day is recognized worldwide as the news devastated and impacted people all over.

Diaper and Wipes

Lafayette Center celebrated the upcoming addition to our receptionist's family by hosting a "diaper and wipes" party. **Jazzmyn** was asked to come in for an inservice with a Corporate Representative. She was totally surprised to see gifts, food and fellow staff members instead of a Corporate Representative. One of our unit managers even did a bit of karaoke in her honor. Her new little man, Sye Vedo, will get a good head start. Congratulations Jazzy.
